

The Driftwood Dental Care Plan

Our goal is to help you have a beautiful, healthy smile that you want and deserve. There are many reasons why people stay away from the dentist, but we most frequently hear "I couldn't come because I didn't have dental insurance." We are now pleased to offer the Driftwood Dental Care Plan for all of our patients who have no dental insurance benefits.

ENROLLMENT FEE & COVERAGE: The annual enrollment fee is only \$375*

CARE PLAN INCLUDES

- Your initial exam, first set of x-rays, and routine* cleaning (Valued at \$460)
- The following routine* cleaning and exam at your next 6 month appointment (Valued at \$210)
- Any other x-rays that may be needed throughout the year

You save at least \$295 on your first 2 visits!

*Routine dental cleanings are classified as Dental Prophylaxis. If you require periodontal therapy cleanings for gum disease such as Full Mouth Debridement, Scaling and Root Planing, or Periodontal Maintenance (also known as "deep cleanings"), then note these procedures are not included in the Care Plan. However, a 20% discount is applied.

*If you have periodontal disease and require 3 or 4 month Periodontal Maintenance cleanings, the first Periodontal Maintenance cleaning will be included in the Care Plan. Any additional Periodontal Maintenance cleanings will come with a 20% discount. Any exam and/or x-rays completed at these appointments are included in the Care Plan.

ADDITIONAL COVERAGE

- For ALL dental treatment that you complete within the 12 months of enrollment (not calendar year), you will receive a 20% discount for these services with no annual limits. This even applies to elective and cosmetic procedures. Orthodontics and treatment for Temporomandibular Disorders are limited to a 5% discount.
- For each additional immediate family member added to the Care Plan, the additional annual fee is discounted to \$325*

TERMS AND CONDITIONS

- You can choose to have your enrollment fee automatically renewed annually.
- Enrollment fees are non-refundable once any treatment is performed.
- Payment in full is due on the first date of service.
- Payment plans are available through Care Credit, for those who qualify.
